We are ANSAC Credit Union. A Credit Union is like a bank that is based in your local community and it is owned by the members. This Credit Union has members in the Defence Forces.

When you join the Credit Union, we will need to collect information about you so that we can open and operate your savings account. We will also need to collect information that the government requires us to collect so that it can be sure that we are taking care of your money. We will need to report information about your account to government agencies like Revenue and the Central Bank.

We will keep the information we collect until you close your account and for a few years afterwards as required by law.

While you are under 16, we will also need to collect some information from a parent or guardian who will become a trustee on your account. Once you are 16, we will invite you to become a full member of the Credit Union and you will no longer need a trustee on your account.

You have rights around how we handle your information:

- If we get something wrong, you can ask us to fix it and we will do that.
- You can ask us to provide you with a copy of your information and we will supply it within one month.
- You have other rights like the right to object or the right to have your information deleted but if there is a law that says we can't delete the information then we would not be able to do this.

Ansac Credit Union has a data protection officer whose job is to look after your rights.

If you want to find out more about your rights, we have Data Protection Statements on our website at [www.ansaccu.ie /data-protection-statements/general-data-protection-statement](http://www.ansaccu.ie/data-protection-statements/general-data-protection-statement). DEPOSIT GUARANTEE SCHEME DEPOSITOR INFORMATION SHEET

ADDITIONAL INFORMATION

- (1) **Scheme responsible for the protection of your deposit**
Your deposit is covered by a statutory deposit guarantee scheme. If insolvency should occur, your eligible deposits would be repaid up to €100,000.
- (2) **General limit of protection**
If a covered deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the DGS. This repayment covers at maximum €100,000 per person per credit institution. This means that all eligible deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.
- (3) **Limit of protection for joint accounts**
In case of joint accounts, the limit of €100,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above €100,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits relating to certain events which include:

- (a) certain transactions relating to the purchase, sale or equity release by the depositor in relation to a private residential property;
- (b) sums paid to the depositor in respect of insurance benefits, personal injuries, disability and incapacity benefits, wrongful conviction, unfair dismissal, redundancy, and retirement benefits;
- (c) the depositor’s marriage, judicial separation, dissolution of civil partnership, and divorce;
- (d) sums paid to the depositor in respect of benefits payable on death; claims for compensation in respect of a person’s death or a legacy or distribution from the estate of a deceased person.

More information can be obtained at www.depositguarantee.ie

(4) Reimbursement

The responsible deposit guarantee scheme is:

Deposit Guarantee Scheme, Central Bank of Ireland, PO Box 11517, Spencer Dock, North Wall Quay, Dublin 1. Tel: 1890-777777. Email: info@depositguarantee.ie. Website: www.depositguarantee.ie.

It will repay your eligible deposits (up to €100,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 days from 1 January 2024 onwards, save where specific exceptions apply.

Where the repayable amount cannot be made available within seven working days depositors will be given access to an appropriate amount of their covered deposits to cover the cost of living within five working days of a request. Access to the appropriate amount will only be made on the basis of data provided by the credit institution. If you have not been repaid within these deadlines, you should contact the deposit guarantee scheme.
