

LETTER TEMPLATE:

ANSAC Credit Union minor application confirmation of relationship.

Here at ANSAC Credit Union we're delighted to welcome 'Family Members' to open an account with us. For adults (over 16 yrs.), this refers to a person living in the same household as and a member of the family of an existing ANSAC member.

For Minor Membership accounts (under 16 years), the application criteria are slightly different. Unlike adult family members, children/teenagers don't have to live in the same household as the existing ANSAC member, however they must be the member's son/daughter or under their legal guardianship. To verify this in your case, we kindly ask you to supply a very simple typed or clearly legible handwritten letter.

For your convenience, below is a template you can use for this.

Written confirmation of my relationship to below named minor, for whom I wish to open an ANSAC Credit Union Account.
